3. OUR HOTELS

/our-hotels

Use one common hotel data structure.

Hotel

- Hotel Name
- Brand Name
- Location
- Destination
- Property Type

- Short Description
- Full Description
- Hero Image
- Gallery Images
- Key Highlights
- Number of Rooms
- Facilities
- Experiences
- Website URL
- Booking URL
- Contact Number
- Email
- Google Maps Location
- Status
- CTA

Hotels

1. Pushkara Resort & Spa
Location: Ajmer
2. Anant Mahal
Location: Jaipur
3. Ananta Spa & Resort
Location: Jaipur
4. Beelwa Palace
Location: Jaipur
5. AamaGhati Wildlife Resort
Location: Ranthambore
6. The Farm Stay by AamaGhati
Location: Ranthambore

This makes it easy to add another hotel later without changing the website structure.
